I'm Sobia Khan, the founder and managing director of Colorado Childcare Consulting. I am a credentialed trainer and coach with over 20 years of experience in the ECE field. My career encompasses a wide variety of roles and experiences, such as teacher, large center director, program owner, Pyramid Colorado Facilitator, Reflective Supervision Consultant, and most recently, as a Colorado Shines data assessor and rater.

Our vision

is to support the community on quality initiatives. We believe that the teacher is the most important aspect of the classroom environment and that programs and ECE teachers need the support and knowledge to improve their practices in the classrooms.
